Skill: Writing

Make a list of your daily activities.

First you need to think about your daily activities. We can make a list of everyday activities; wake up/ get up, brush my teeth, have/ eat breakfast, take a shower, get dressed, go to work/ school, check my email, check my social media, have/ eat lunch, finish classes, go home, go to the gym, have dinner, watch tv, read, go to sleep.

Write present simple tense. When we talk about daily life or routine, we use the present simple.

Use adverbs of frequency, like usually, normally, generally, often.

Use connectors like such as, and, or, but. For example the two sentences like, "I wake up at 9:00. I brush my teeth.", sound mechanical if written simultaneously. When an "and" is added to connect the two sentences, it becomes better.

Use time expressions like, after, next, before, afterwards, then, when, in the morning/ afternoon.
